ANNIVERSARY WEEK SHOWS GLENDALE'S PROSPERITY

OAK STREET PEOPLE REJECT PLAN TO MAKE REPAIRS

PROPERTY OWNERS ASK THAT
CITY FIRST LAY WATER
MAIN IN HIGHWAY

Twenty-one property holders on Oak street, declared to represent by far the majority of frontage on that thoroughfare, held a meeting last night in the home of F. A. Clarke, 351 Oak street, for the purpose of considering the temporary improvement of Oak street as suggested by T. W. Watson, city manager.

The meeting unanimously rejected the suggestion for temporary work on the street, holding that no work should be done until the city promises to lay a four-inch water main in the thoroughfare.

Drop in Canned Fruit

Add to the ice-cream's tumble that of canned fruits.

But don't mix them—it might make a blue Sunday for several weeks.

Yes, the canned fruit market is overstocked. Apricots and peaches and pears and cherries are all going a-begging for buyers.

They make fine dessert, mostly raised in California, and what's the matter with the idea of having fruit five times a day? It's healthy, they say.

Last Call for Taxes

Last chance, folks!

George W. Heidt, a deputy from the office of the Collector of Internal Revenue, Los Angeles, will be in Glendale at the council chamber, city hall, from March 9 to 15, inclusive, to advise the public in making out their income tax reports and accepting their returns.

Penalties are attached to returns filed after March 15.

Cost Estimate Made

"The total cost of the oil as suggested would be \$1706 and the total cost of screenings would be \$253. This would represent a cost to each fifty-foot lot fronting on the street of \$14.25 for oil and \$2.53 for screenings or a total of \$16.78 for each fifty-foot lot."

"We considered the proposition," said Mr. Clarke, who is chairman of the Oak street organization, and we voted unanimously to reject it until we have assurance from the city that the main will be installed. We do not want to make repairs on the street and then have them torn up to install the main."

BUFFET LUNCHEON IS GIVEN FRIENDS

MRS. J. A. MCKELVEY HOSTESS
AT GATHERING; POPPIES
AS DECORATIONS

Mrs. J. A. McKelvey entertained yesterday at a most attractive buffet luncheon in her home, 338 West Broadway, Mrs. William Ingram of Oakland and Mrs. Frank Evans of Utica, New York, being jointly honored upon this occasion.

The attractive bungalow was decorated with masses of early California poppies and the color scheme was carried out in the daintily appointed luncheon which was served in cafeteria style, the guests being given individual trays upon which to place their lunch.

Those invited to participate in Mrs. McKelvey's pleasant hospitality were: Mrs. William Ingram, Mrs. Frank Evans, Mrs. Jacob Schremp, Mrs. O. R. Barnett, Mrs. W. D. Ingram, Mrs. J. M. Ray, Jean Ingram and Mary Elizabeth Evans.

Business Section to Have Sewer System

At a meeting of property owners and others interested in a Brand boulevard business district sewerage system, which was held in the Chamber of Commerce rooms on Broadway last night, it was the consensus of opinion that the mains should be laid at sufficient depth to care for buildings with basements.

Frank H. Olmsted of the engineering firm of Olmsted and Gillien, Engineer C. L. Hill of Glendale and City Manager T. W. Watson spoke of the improvement and found that their plans met with favor from the majority present.

Ice Cream Is Going Down! in Price, That Is; Soft Drinks, Too

Blam! Flop! Glub! Blub! Gug!

Ice-cream is going down! In fact, it has went in most every place in town.

And inasmuch as all stores prices vary somewhat, it would be unfair to print their list, effective March 1, but anywhere from a penny to a nickel is saved on different delights of the palate.

Just at a time, too, when the summer sun's making ice-cream taste mighty good.

It is said that the reduction is due to the manufacturers lopping off 10 to 20 cents a gallon on the price to the retailer.

In some places soft drinks are selling at lower prices.

Both Active and Associate

This club is to be composed of both active and associate members, its object being to promote interest and love of music and to give an open program once a month for those interested in music.

Any citizen is eligible to active membership who has received a music degree or who may be recommended by the board of directors because of some distinguished work or some service rendered in musical work.

Any person may become an associate member who plays, sings or who is a music lover.

Charter membership for both active and associate members will be open until the next meeting, which will be the third Friday in March. All becoming members on or before that time will be considered charter members and will be free from initiation fees.

The club already has twelve or fifteen members, and it was decided to have this organization affiliate with the California Federation of Music Clubs immediately.

Clearing Site to Build Clubhouse

SUNSET COUNTY ORGANIZATION
WILL HAVE STRUCTURE IN
VERDUGO FOOTHILLS

Workmen are now engaged in clearing the site for the Sunset Country club in the Verdugo foothills in the vicinity of Burbank. Surveyors are also at work laying out a right-of-way for the scenic miniature railway which will go up the canyon.

Secretary Allen of the club is personally directing the improvements.

Grand View Improvement

The Grand View Improvement association meets tonight at the home of L. H. Applegate, corner of Sixth street and Grand View avenue for the consideration of a \$20,000 bond issue for municipal improvements. City Manager T. W. Watson will speak.

FORM MUSIC CLUB FOR PROMOTION OF STUDENTS OF ACTIVITIES

MEETING IS HELD AT HIGH
SCHOOL AND BOARD OF
OFFICIALS CHOSEN

A meeting was held in the music room of the Glendale Union High school last night at 8 o'clock for the purpose of organizing a music club.

Mrs. Mattison B. Jones, temporary chairman, called the meeting to order. The by-laws were read and a motion made that the permanent organization of a music club in Glendale be perfected.

Spencer Robinson suggested the name of "Glendale Music Club," which was officially adopted.

A nominating committee of three nominated the following officers, which were elected: Mrs. Mattison B. Jones, president; Mrs. Catherine Shank, first vice-president; Mrs. Spencer Robinson, second vice-president; Mrs. L. N. Hagood, recording secretary; Mrs. C. L. Marlenee, corresponding secretary; Mrs. Warren Roberts, treasurer; Mrs. Dora Gibson, Mrs. Frank Arnold and Mrs. Calvin Whiting, members of the board of directors.

These officers were installed and Mr. Robinson, city trustee, in a very appropriate speech congratulated them and the club members and assured them of the co-operation of the city of Glendale.

Following is lineup of the company:

First Platoon
First Squad: Butters, Herman, Price, Stone, Bender, Rathbun, Denison, Lawyer. Second squad: Weetman, Jackson, Hill, Wilde, Werden, Rhodes, Nelson. Third squad: McIver, Thos.; Tyrrell, Brice, Vinacke, Dreyer, Hague, Sprinkle, Sanders.

Second Platoon
First squad: McIver, Walter; Brucker, Rice, Schnoor, Rockhold, Hammond, Gingery, Billingley. Second squad: Harwood, McManus, Strong, Bacon, Felix, Jodon, Chandler, Schuch. Third squad: White, Ball, Dennis, Hanson, McGuire, McMillan, Wright, Bowman.

The parliamentary law section of the Tuesday Afternoon club met yesterday afternoon at the home of Mrs. Homer D. Lockwood, 325 West Lomita avenue. The house was profusely decorated with sweet peas. Refreshments were served by the hostess and a social afternoon enjoyed.

A parliamentary law drill was given under the leadership of the narrator, Mrs. Harry Greenwalt. The play which is to be given by the parliamentary section at the reciprocity day of the Tuesday Afternoon club, which will be March 22, was rehearsed at this time. The next rehearsal will be Friday morning at the home of Mrs. Benjamin Holbrook, 426 West Harvard street.

The annual luncheon of the parliamentary section will be a St. Patrick's day affair, to be given March 17.

DEBATERS CHOSEN FOR HIGH SCHOOL

GEO. JORDAN AND KATHLEEN
CAMPBELL TO ORATE AT
MEET ON MARCH 17

George Jordan and Kathleen Campbell will represent Glendale Union High school in its coming debate on March 17 at U. S. C. High school on the subject, "Resolved, that the California legislature should establish a state constabulary to enforce the criminal code. The Glendale team which was selected last night will have the affirmative side of the argument.

RACE TRACK NO MORE

GLENDALE'S GUARDS GIVEN SCHEDULE OF ACTIVITIES

TEMPORARY ARMORY WILL BE
OPENED SOON; AUXILIARY
FOR WOMEN, PLAN

A big program of activity is ahead of the Fifth Separate company, National Guards, Glendale's own, which will drill again Thursday night at the high school gymnasium and athletic field.

In another week, that is Thursday, March 10, they will open their temporary armory above the Boulevard branch, Los Angeles Trust and Savings Bank, with a boxing and wrestling program by amateurs.

Organization of a woman's auxiliary is planned for the near future, according to Capt. Thomas D. Watson, commanding. The headquarters will be fitted up like a club room and an invitation is extended thirty more Glendale young men to join the infantry company.

School for Officers
A week from Thursday a school for non-commissioned officers will be started. In addition to Lieutenants Hayhurst and Letts assisting Captain Taylor, he has selected the following men to officer his organization: First sergeant, Charles A. Crist; company clerk, Clarence Lessard; supply sergeant, Homer Lessard; gas sergeant and company guide, DeLeon Anthony; first platoon duty sergeant, Harold Alexander; second platoon duty sergeant, Paul Holland.

Following is lineup of the company:

RECORDS REVEAL MANY EVENTS OF INTEREST EIGHT YEARS AGO

Growth of City Is Indicated and Comparison of
Facts Indicate Values Fast Increasing

Eight years ago and now in the business district of Glendale hardly can be called a comparison.

Looking at the yesteryear of 1913 and glancing about today is a revelation that to a child would seem the work of magic.

Glendale was then touted "The Brooklyn of Los Angeles."

That was a promise and prediction which is fast becoming true. There was prosperity in Glendale eight years ago, but today Glendale is one of the most prosperous communities in the entire country—the building permits show this; the population increase indicates it; the bank deposits prove it. Glendale was—and is—prosperous.

Search of records shows many events of interest and The Evening News, in celebration of its eighth anniversary under the present management, will, this week, publish some of them.

The announcement last night of "Anniversary week" proved of great interest to many and this office is receiving much material and announcements from those who knew Glendale of eight years ago and too, from those who have come here since.

As told in this issue, the February permits smash all records for the month and indications are the building this spring will be a record-breaker.

The last of this month the city will vote on a bond issue to provide a civic center and to go under a charter form of government with a city manager, as at present, in charge.

It is interesting to note that eight years ago a charter election was held. That issue was defeated, it might be stated in passing on. Glendale now approaches another charter election, after eight years' continuation of the sixth class city trustee form of government, which has been augmented by a city manager.

While innumerable improvements have been made in the public utilities and private property, such as homes and estates, and in the civic works, such as schools, libraries, churches and theatres, the greatest noticeable change has been in the business district on Brand boulevard, Broadway and Glendale avenue.

Turning over the pages of the city directory published here eight years ago by James J. Conrad, successor to the Southern California Directory, who, in turn, was succeeded by The Glendale Evening News, one notes (Continued on Page Four)

Today's World News in Brief (Special Service to Glendale Evening News)

PROPOSE SINN FEIN-RUSS UNION

LONDON, March 1.—Proposals for a union of Sinn Fein and Russian soviet forces were contained in documents captured in Ireland, the Irish office announced today. One document suggested that the Russians be asked to cease their present activity, which was "to the disadvantage of Ireland, but store up their energy for action on a new and more revolutionary plane thus detonating forces which can disintegrate the British empire from within, fusing the best elements of the north and south in a common revolutionary program."

TAXATION MEASURE BEFORE ASSEMBLY

SACRAMENTO, March 1.—The King revenue and taxation measure will go before the assembly today providing the senate reaffirms its decision of midnight, last night, when the bill was adopted 28 to 12. The bill was first passed by a vote of 27 to 13, after which Senator Harry Chamberlain of Los Angeles, changed his vote from no to aye and gave notice of reconsideration. Voting followed several hours of heated and humorous discussion of the merits of the King bill.

JAPAN WILLING TO GIVE YAP CABLES

PARIS, March 1.—Japan is willing to concede America control of cables on the island of Yap, but desires to retain her mandate, Baron Ishii told the league of nations council today. Ishii said that his country was inclined to put the league's interests ahead of Japan's private interests and that she is willing to accept a just compromise. He then suggested Japan's willingness to permit the United States to control the cables.

CHAMP CLARK'S CONDITION IS SERIOUS

WASHINGTON, March 1.—The condition of Champ Clark was described as "extremely serious" at his home here. Friends in congress said the former speaker might not live through the day. Clark has experienced alternate rallies and sinking spells. Yesterday he was reported better but his condition took a turn for the worse.

READY TO USE FORCE ON GERMANY

PARIS, March 1.—Preliminary steps for the execution of military plans devised by the allies to force German obedience of reparations demands were taken today. For the first time in over two years, trains of long-snouted guns were being dragged toward the frontier.

HASTEN PLANS TO QUIT EUROPE

WASHINGTON, March 1.—The apparent approach of a European crisis today caused Republican leaders to hasten their plans for a withdrawal of the last vestige of American participation in the war soon after March 4.

FEBRUARY SMASHES RECORDS OF CITY IN BUILDING

PERMITS ARE ISSUED FOR NEW
BUSINESS BLOCKS; TOTAL
FOR MONTH \$197,678

February's building smashed all records in Glendale.

Now enters the March lion, promising to be monarch of all construction periods.

Three more business blocks are added to the three announced yesterday for construction this spring.

Work is to commence immediately on the Holy Family Catholic church, it is reported.

Building permits for the first hour this morning aggregated \$12,000—and they had just begun to swamp the building inspector's office.

Principal among these was an eight-room residence to be constructed for Dr. Henry R. Harrower at 1516 East Broadway. It will cost \$11,000.

According to figures compiled by Building Inspector F. A. Marek's force, the total building already this year amounts to \$341,461. In February all of the permits issued amounted to \$197,678.

The three new business blocks reported this morning as going ahead are:

William Hildley of Los Angeles will build a one-story, four-store structure on the southwest corner of Broadway and Orange streets where the Horseshoe club is now located. This will move the Horseshoe club from the path of progress for about the 'steenth time in eight years.

Mr. Hildley's lot is 85 by 115 feet in dimension. He intends to build on it so that a second story can be added later.

To Have Four Store Rooms
C. D. Noble will build a one-story building on the northeast corner of Broadway and Orange, his lot being 106 by 75 feet. This also will contain four store rooms with possibilities of later additions.

A furniture store is to be housed in a building on the southeast corner of Broadway and Orange, which will give that part of the business district a decided impetus.

In yesterday's edition of The Glendale Evening News it was incorrectly stated that Philip W. Parker was to build on a lot 150 by 150 feet. This should have read 50 by 150 feet and the depth of the building will not be as great as the lot, by far.

Completing the list of February permits, published yesterday, are the following:

Mrs. Anderson, addition, 326 North Belmont \$ -200
Harold Harrison, 5-room residence, 221 East Lomita 3,948

Elks' lodge, No. 1289, last night
seventy-five candidates for mem-
bership were balloted upon. Cameron
Thom, past exalted ruler, filled the
exalted ruler's station. After the
business meeting a lunch, which had
been prepared by the house commit-
tee, of which John Roman, Joe For-
tunato and Morris E. Andrews are
members, was served in the banquet
room.

A. Gelmor's Faith in City Is Proven

A. Gelmor, ladies' and men's tailor,
now located at 128 South Brand
boulevard, is a comparative new-
comer to Glendale, but he had faith
in the city at a time when business
was not so good as it is now and time
has proved that he is a man of good
business judgment. Mr. Gelmor
came to Glendale fourteen months
ago and located at Broadway and
Maryland. In February, 1920, Mr.
Gelmor says he took only two orders
but he was not discouraged, for he
could look ahead and see that the
business was here and that he could
get it. January 1 of this year he
moved to his present location and in
February, 1921, he received so many
orders that it will take him, with the
assistance of Mrs. Gelmor and their
three employees, two months to get
them out.

Mr. Gelmor says he deals only with
the best wool houses and carries a
large line of fabrics and he finds this
is greatly appreciated by prospective
patrons. The fact that he was the
first in Glendale to reduce prices was
quite a boost for him, he states.

Mr. Gelmor is still looking to the
future and he says in two years' time
he is going to have the people of
Glendale educated to the fact that
they do not have to go to Los Angeles
to have expert tailoring done and
that eventually all of this work will
be done in Glendale.

MARGARET LUSBY IS GUEST OF HONOR AT GATHERING OF TWO CHURCHES BIG SUCCESS

BRIDE-TO-BE IS ENTERTAINED
AT SOCIAL AFFAIR AT
M. S. KUENHY HOME

The members of the First Metho-
dist church choir enjoyed the hospital-
ity of Mr. and Mrs. M. S. Kuehny of
368 West Doran street last Saturday.
The occasion was to honor Miss Mar-
garet Lusby, who is soon to become
the bride of Harold Latter of Oak-
land, California, formerly of Glen-
dale.

The event of the evening was a
mock wedding, in which the "bride"
was dressed to carry out the idea of
a "kitchen shower." Her dress was
made of tea towels, with a V-neck
formed of a copper kettle cleaner.
She wore a chain from which was
hung a tea ball for a lavellier, a sink
scraper for a brooch, small cookie cut-
ters for earrings, a jar opener for a
bracelet, and a dish mop hung from
her girdle. The bridal veil was three
yards of curtain material held in
place by a small funnel and a cream
dipper. Her wreath was made of
small red radishes. She carried a
"wonderful" bouquet—a large funnel
filled with kitchen utensils with
string streamers on which hung pep-
per and salt shakers, can opener,
breakfast bell, sugar sifter, clothes
pins, etc.

Principals in Party

To the strains of "Here Comes the
Bride," played by the church organ-
ist, Mrs. Harriet Randall, the "bridal
party" took their places before the
mantel. After the marriage cere-
mony, especially prepared for the oc-
casion by Rev. Dr. Crist, the "bride"
presented her bouquet and entire
wedding outfit to Miss Lusby. The
principals in the wedding party were:
Ring bearer, Mrs. Kuehny; brides-
maid, Miss Ada Salstrom; best man,
Miss Isgrig; bridegroom, Professor
Kuehny; and the bride, Miss Clara
Midealf.

Games, in charge of Miss Alice
Lookabough, and refreshments served
by the men of the choir, completed
the evening's fun, at the close of
which Miss Lusby was again sur-
prised with another gift from the
choir, an electric grill.

Miss Lusby has been untiring in
her efforts in the musical work of the
church, willingness and cheerfulness
being her outstanding characteristics,
all of which is fully appreciated by
her fellow workers.

The Ideal Gift

for any individual on any oc-
casion is

A Bouquet of Flowers

We will arrange them for
you in a bouquet, a bowl or
vase, or in a pretty basket
and deliver them with your
card or message where and
when you wish.

We especially feature fune-
ral work. We are organized
to handle the most elaborate
designs and the largest or-
ders and there is no neces-
sity of going to Los Angeles
for this kind of work.

SEVENTH-DAY ADVENTISTS OF
THIS CITY AND LONG
BEACH IN PROGRAM

The concert given by the Glendale
and Long Beach Seventh-day Advent-
ist choirs was well attended Sunday
night, standing room to the doors be-
ing taken. The church was prettily
decorated with palms, ferns and
flowers, also Old Glory spread out
above the rostrum.

The chorus and octette were nicely
rendered and Mrs. Retta King Nel-
son of Glendale struck a responsive
chord in the hearts of her audience
when she sang "America for Me" in
her charming way.

Following these numbers I. A.
Ford, one of the elders of the Glen-
dale church, made a few appropriate
remarks concerning the propriety
and privilege of sacred song and mu-
sic. Elder J. N. Poap next gave a lit-
tle talk on the good work of the
choir in purchasing the piano and
stated that they would give the au-
dience the opportunity of contributing
to the fund. About \$130 was given
by those present which will aid ma-
terially the efforts of the choir.

The giving of the principal num-
ber, the cantata, "George Washing-
ton's Forefathers of 1620," by Hos-
mer, brought vividly to mind the
early struggles of forefathers in es-
tablishing religious freedom on
America's soil.

Edwin Levy of Long Beach took
the part of the pastor in the story,
while the reading of the compact was
given by Elder H. F. Taylor of Glen-
dale. The story was well inter-

LEW CODY LOVES OFTEN IN PICTURE

BUTTERFLY MAN IS FEATURE
AT GLENDALE THEATRE;
LOCAL GIRLS SHOWN

There are about fifty-seven varie-
ties of love-making, Lew Cody proves
in his latest vehicle, "The Butterfly
Man," the screen adaptation of
George Barr McCutcheon's satirical
novel of American ultra-fashionable
life. The picture, one of the most
beautiful ever filmed, is the feature
today and tomorrow at the Glendale
Theatre.

As Sedgewick Blynn, petted by the
leisure-loving women of his "set,"
and envied and despised by the men,
Cody gives a capital performance.
The picture points the moral of the
novel—that it doesn't pay to be a
"lounge lizard" whether it be in a
gay white way cabaret or in those ex-
clusive circles described as the "Four
Hundred."

Inasmuch as the picture was film-
ed by L. J. Gasnier at the Astra
plant in Glendale, it is interesting to
note that about forty local girls are
prominent in the society scenes. A
Pathe Review, Rollin comedy and
"Where the Earth Bounds and Bil-
lows" complete the program. Mad-
ame Clement's special organ se-
lection for the two days is "Spring-
time."

Tomorrow Helen Hunt Jackson's
"Ramona," a revival of the story of
early California, is the stellar attrac-
tion.

MRS. MARY B. GOULD DIES

Mrs. Mary B. Gould, seventy-eight
years of age, died this morning at
her home, 1421 East Wilson avenue.
She was the mother of J. W. Gould,
former city marshal of Tropico and
for years a member of the Glendale
fire department. Other children also
survive.

Mrs. Gould has been a resident of
Tropico and Glendale for the last 28
years. Funeral services will be held
Thursday morning at 10 o'clock from
the Pulliam & Kiefer chapel. Inter-
ment will be in Grand View cemetery.

FUNERAL SERVICES HELD

Funeral services were held yester-
day afternoon from the Pulliam &
Kiefer chapel for Gustave Schwemer,
aged 81, who died at his home, 142
North Castle street, Eagle Rock, Sun-
day. Rev. C. R. Norton conducted the
services. Mr. Schwemer was a painter
and decorator by profession
and lived in Glendale about 15 years
ago. He is survived by a widow and
eight children.

EIGHT YEARS AGO IN GLENDALE

ONE OF VERY FIRST
LETTERS IN NEWS
BY W. B. KIRK

SECRETARY OF CHAMBER OF
COMMERCE EIGHT YEARS
AGO WROTE ARTICLE

About eight years ago the secretary of the Glendale Chamber of Commerce, W. B. Kirk, known today as a specialist in income and endowment insurance, wrote in the first issue as a daily of The Evening News that "Mr. Cowan's daily will doubtless grow into a newspaper which will be one of the best in the state. A newspaper is what the people make it and that the people of Glendale want and will patronize a good daily paper is a foregone conclusion."

That's what Mr. Kirk, then secretary of the Chamber of Commerce, wrote, in part, eight years ago. His communication is of special interest and is reproduced in full, as follows: To The Daily News—The enterprise shown by the publisher of The Glendale News in advancing it to "a daily," is certainly to be commended by every Glendallian who believes in the future of his home town, and every agency that works toward making it more metropolitan should be welcomed and supported heartily by every advertiser and reader.

And there is no doubt that it will be. Up to this time it is doubtful whether the size of the city would have warranted the outlay and expense necessary to the successful carrying on of a daily journal which would be a creditable one, but now that the new directory will show a population of over 12,000 people in Glendale and environs, it would seem that the time is ripe.

People Are Waking Up
With the boosting spirit of Glendale and the way the citizens are standing together, as evidenced in the Chamber of Commerce, no good business proposition need have any doubt as to the support it will receive from the entire city. I believe people are waking up to the value of their local papers. So much news and so many items of interest and value to the people of our community could not be published outside of our town, because they are of interest to us only. And, as an advertising medium it goes without saying that the local paper is invaluable.

The faith exhibited by Mr. Cowan in the stability and future of Glendale can well be an example to some of the rest of us and strengthen our confidence in what our valley is destined to be. Coming to Glendale an utter stranger, in a week's time he had bought the plant of The News and moved it from a location where it had been for years to the commodious quarters it now occupies.

Linotype Machine Installed
A linotype machine and a fine new Miehle press were installed about as quickly as they could be secured from the manufacturers, so that now The News represents an investment of \$15,000 or \$20,000. Has anybody in Glendale shown more faith than this? Building as he is, on the foundation laid by a man of such independent thought, fearless conviction and rugged character as J. C. Sherer, who struggled along with The News when the town was only a village, and hardly able to sustain a weekly, Mr. Cowan's daily will doubtless grow into a newspaper which will be one of the best in the state. A newspaper is what the people make it and that the people of Glendale want and will patronize a good daily paper is a foregone conclusion.

Many Improvements
Are Made on P. E.
Railway Into City

While the Pacific Electric car line runs through the same hills from Los Angeles to Glendale as it did eight years ago, there is much improvement noted along the way.

In the olden days the film companies at Edendale were housed in barns or shacks and one house stood in the mile stretch along the Klondike park in the district which is now built up with hillside homes.

Atwater park, Angelus park and other subdivisions had just been platted and a house here or there was the only sign of the now growing Richardson and Atwater stations on the Pacific Electric line.

HENRY A. GOODWIN IS DEAD
Henry A. Goodwin, who was in his seventy-first year, passed away this morning at his home, 304 East Windsor Road. He has been a resident of Glendale since he came to California in 1907. A widow and two sons, Harry, who resides at the family home, and Lee, a resident of Hollywood, survive him. Funeral arrangements are in charge of Pulliam & Kiefer, undertakers.

PROMISES LIVE AND
PERMANENT DAILY
IN FIRST ISSUE

STATEMENT MADE EIGHT YEARS
AGO IS AGAIN PUBLISHED;
PAPER PROVES VALUE

The first issue of The News as a daily eight years ago carried an announcement by the publisher, A. T. Cowan, in which it was stated that "The issuing of a daily at this time is not a trial affair, it is to be permanent."

That was eight years ago, when Glendale had neither its present business district or population to support a daily. The publisher, however, "carried on" and today The Evening News has a plant, housed in a building specially erected for it, that those competent to judge say would be a credit to a city twice the size of Glendale.

In Opening Announcement

"The publisher of The News," continued the opening announcement eight years ago, "has not entered upon this new task without due consideration of the importance of the step he is taking. He knows that a good, live daily publication will meet with the approval of the wide-awake citizens and business men of Glendale, and he further believes that the people of Glendale as a whole are thoroughly awake to their own interests and the interests of the city in which they have chosen to make their home. The publisher knows that the cares connected with putting a daily before people in a city of the population of Glendale are numerous and the financial gain is not great, but to one who loves that kind of work these cares become pleasures, and a business conducted in a business-like way will always keep the balance on the right side of the ledger-page. We ask the co-operation of all citizens of Glendale who appreciate the value that a daily paper is to a community."

"A. T. COWAN, Publisher."

That the people of Glendale, those of eight years ago and those who have come since, appreciate a good daily newspaper is reflected in the columns of The Evening News and in the fact that the publisher, by putting back into the business the money made, has built up a plant that is capable of meeting every demand of the public, for every department is systematized, capable men and women are at the head of each, and a complete equipment provided.

church, Rev. M. R. Walton; Tropico Church of Brethren; Tropico Methodist, Rev. S. W. Carnes, Tropico Presbyterian, Rev. C. B. Hatch.

Two principal clubs were then listed, being the Tuesday Afternoon club with the following officers: Mrs. Mattison B. Jones, president, and Mrs. Frank Grosvenor, secretary; Thursday Afternoon club, of which Mrs. Abby T. Barker was president and Mrs. Charles Finley, secretary. The lodges then included the Elks, Odd Fellows, Glendale Unity Lodge, F. and A. M., Eastern Star, Rebekahs, P. E. O. Sisterhood, Knights of Pythias, Fraternal Brotherhood, Tropico K. of P., N. P. Banks Post, G. A. R.; Women's Relief Corps, Yeomen, Pythian Sisters and the Tropico Civic club.

Chamber of Commerce

A. B. Heacock was president of the Glendale Chamber of Commerce, and W. B. Kirk, secretary. M. M. Eshelman was president of the Tropico Chamber and F. H. Davis, secretary.

In its introduction the 1913 directory said, regarding population: "The number of names in this book indicates a population of 11,096 in this community, proportioned as follows: Glendale, 7905; Tropico, 2325; Casa Verdugo, 928."

The information for the last federal census was taken in June, 1910, and showed a population in Glendale of 7446, the increase in population for Glendale during the past thirty-five months has been 5159; 190 per cent at the rate of approximately five persons every day during this period of time. At the same ratio of growth the next government enumeration should show a population of about 18,000. But it is more likely to be over 20,000; in fact, it appears that there is little danger of anyone overestimating the future growth of this valley.

Going through the pages of the business and professional directory one finds familiar names in almost every line, too numerous to mention.

J. A. NEWTON IS IN
BUSINESS SINCE
YEAR OF 1910

NOW OCCUPIES ENTIRE BRICK
BLOCK; BIG INCREASE IS
NOTED IN 8 YEARS

If conclusions were drawn only from a present tendency to consider price instead of quality work, J. A. Newton of the J. A. Newton Electric company says that the outlook would be rather discouraging. But looking into the company's own records he finds that the volume of business for the year 1920 is nearly ten times that done eight years ago when The Glendale News was moved from Glendale avenue near Broadway to the location on Broadway near Louise street. Quality work pays best in the long run, says Mr. Newton.

Here Since 1910

Mr. Newton has been engaged in the electrical contracting and fixture business in the present location since June, 1910, a longer period than nearly every other mercantile firm in Glendale.

At the time this firm made the installation of the wiring and motor for the large press of The Glendale News when it moved to the Broadway location, Broadway was a dirt road, the Pacific Electric cars did not run east on Broadway and Glendale was sure a small town.

Eight years ago the electric washer, vacuum cleaner, sewing machine, ironing machine, dish washer and many other electric household helps were practically unknown.

Occupies Entire Brick Building

During this time the J. A. Newton Electric company has twice enlarged its store rooms, now occupying the entire brick building at 629-631-633 East Broadway. This has been done to try and keep pace with the growth of Glendale and also to make room for the ever-increasing need of more room to display the modern devices employing the use of electricity.

The Newton Electric company, as one of the oldest business firms in Glendale, not only believe that quality work is the one best advertisement but is doing the best to live up to the slogan, "Glendale's Foremost Electric Shop."

The vice consul at Panama reports that improvements completed at the Cristobal coaling plant make it the largest in the world for bunkering ships. There are five berths and the largest ship afloat may be coaled at the rate of 1200 tons an hour.

CITY SCHOOLS ARE
FILLED 8 YEARS
AGO AND NOW

FILES OF THE NEWS SHOW
THAT GLENDALE'S GROWTH
OUTSTRIPS BUILDINGS

The statement was made the other day by Richardson D. White, superintendent of schools, that there are 2585 pupils attending the grade schools. He further stated that one year ago there were 2011 enrolled. That indicates an increase of 574. The schools are crowded beyond the limit, he states.

Eight years ago, as now, the schools of Glendale were crowded. Here's the evidence, taken from the files of The Evening News:

"Richardson D. White, supervisor of the intermediate schools, and his assistants are working at full pressure just now in order to get the matter of the year's supply in order for the opening of school. Under the new state law everything is furnished the pupils, including pencils, scratch paper, etc. This renders the task of preparing to supply each pupil always a difficult one, much harder than usual."

"At the same time the equipping and getting into readiness for occupation of the new Central avenue school building, erected to care for the children of the first six grades from the north part of the town, must be carried on. This of itself is no mean task."

Chosen as Principal

"Miss Anna McIntyre, who last year had charge of the ungraded work in the West Glendale school, has been promoted to the principalship of the Central avenue school."

"Mr. White has compiled the figures indicating last year's attendance and made estimates for the coming year, which leads him to the conclusion that there will be a very badly overcrowded condition in all buildings."

"In the intermediate school alone there will be seven full classes and seven teachers with only six class rooms available. The only apparent solution of this difficulty is the temporary use of the auditorium as a class room. This room adjoins the music room, which will render this plan exceedingly objectionable."

Great Need for Room

"As Mr. White sees it the need for more room will become desperate in a very short time. Mr. White's department still lacks a woman to handle the physical training of the girls. It is hoped that a strong teacher may be found for this work as it is of extreme importance."

"An assistant in domestic science may also be chosen soon."

SHAVER GROCERY IS

FOR 14 YEARS

H. G. MBAIN CONGRATULATED
UPON HIS LONG RECORD
IN BUSINESS HERE

For fourteen years The Shaver Grocery company, 636 East Broadway, near the corner of Broadway and Glendale avenue, has been doing business at that location under the same management, practically, and for the eight years the present management has been publishing The Glendale Evening News, this store has been represented once a week or oftener in the advertising columns.

H. G. MacBain, president of the corporation which conducts this pioneer grocery, was associated eight years ago with C. E. Shaver, who founded the business. The latter, however, lived in Bakersfield for ten years until his death several years ago.

Policy Wins Year After Year

It has been under Mr. MacBain's direction that the store has done larger business each year and enlarged its quarters until now it holds place with all the newly-established institutions.

"Cleanliness" has been Mr. MacBain's watchword and he gives the business his personal supervision and he is the one that prepares the advertisements which have consistently appeared in The Evening News. He has received many congratulations upon his long record as a business man here.

ORDINANCE NO. 428

AN ORDINANCE OF THE BOARD OF TRUSTEES OF THE CITY OF GLENDALÉ CALLING A SPECIAL ELECTION TO BE HELD IN SAID CITY ON THE 29TH DAY OF MARCH, 1921, AND SUBMITTING TO THE QUALIFIED VOTERS OF SAID CITY FOUR SEVERAL PROPOSITIONS OF INCURRING AN INDEBTEDNESS FOR THE ACQUISITION, CONSTRUCTION AND COMPLETION OF CERTAIN MUNICIPAL IMPROVEMENTS OF SAID CITY, AND PROVIDING FOR THE ISSUANCE OF BONDS THEREFOR.

WHEREAS, The Board of Trustees of the city of Glendale at its regular meeting held on the 13th day of January, 1921, by a vote of more than two-thirds of all its members, duly passed and adopted a resolution determining that the public interest and necessity demand the acquisition, construction and completion by said city of Glendale of those four certain municipal improvements hereinafter in this ordinance described, and that the estimated cost of each of said municipal improvements is as hereinafter stated and is, and will be, too great to be paid out of the ordinary annual income and revenue of said city:

NOW, THEREFORE, The Board of Trustees of the city of Glendale do ordain as follows:

SECTION 1. That a special election be held and the same is hereby called to be held in the city of Glendale on the 29th day of March, 1921, for the purpose of submitting to the qualified voters of said city the four several propositions of incurring an indebtedness and issuing bonds of said city therefor, in the amounts and for the purposes set forth in said resolution and as hereinafter stated.

SECTION 2. The first proposition of incurring an indebtedness to be submitted at said election shall be as follows:

The objects and purposes for which said indebtedness is proposed to be incurred and bonds issued therefor are as follows: The acquisition, construction and completion of pipes, pipe lines, transmission mains and suitable fittings and attachments therefor in connection with the development, extension and operation of the municipal water works and system; and the estimated cost of said improvement is the sum of One Hundred Thousand (\$100,000) Dollars. That the amount of the principal of said indebtedness to be incurred therefor is the sum of \$100,000.00 Dollars, and that the maximum rate of interest to be paid on such indebtedness shall be six per centum per annum, payable semi-annually, which rate shall not be exceeded in the issuance of bonds for such indebtedness. Said first proposition of incurring indebtedness shall be designated on the ballots used at said election by the following question, to-wit:

"Shall the City of Glendale incur a bonded debt of \$100,000.00 for the purpose of acquiring, constructing and completing pipes, pipe lines, transmission mains and suitable fittings and attachments therefor in connection with the development, extension and operation of the municipal water works and system?"

That if the said first proposition for incurring indebtedness so submitted at said election receives the requisite number of votes, to-wit: two-thirds of the votes of the qualified voters voting at such election, bonds of said City in the amount of One Hundred Thousand (\$100,000.00) Dollars shall be issued and sold for the purpose of acquiring, constructing and completing said municipal improvement; both principal and interest of said bonds shall be payable in gold coin of the United States of the present standard of weight and fineness.

SECTION 3. The second proposition of incurring an indebtedness to be submitted at said election shall be as follows:

The objects and purposes for which said indebtedness is proposed to be incurred, and bonds issued therefor are as follows: The acquisition of land and the construction and completion thereon of all necessary buildings, and the acquisition of all necessary furniture and equipment for a public gymnasium for the City of Glendale; and the estimated cost of said improvement is the sum of Eighty-three Thousand (\$83,000.00) Dollars. That the amount of the principal of said indebtedness to be incurred therefor is the sum of Eighty-three thousand (\$83,000.00) Dollars and that the maximum rate of interest to be paid on said indebtedness shall be six per centum per annum, payable semi-annually, which rate shall not be exceeded in the issuance of bonds for such indebtedness. Said second proposition of incurring indebtedness shall be designated on the ballots used at said election by the following question, to-wit:

"Shall the City of Glendale incur a bonded debt of \$83,000.00 for the purpose of acquiring land and constructing and completing thereon all necessary buildings and acquiring all necessary furniture and equipment for a public gymnasium for the City of Glendale?"

That if the said second proposition for incurring indebtedness so submitted at said election receives the requisite number of votes, to-wit: two-thirds of the votes of the qualified voters voting at such election, bonds of said City in the amount of Eighty-three Thousand (\$83,000.00) Dollars shall be issued and sold for the purpose of acquiring, constructing and completing said municipal improvement; both principal and interest of said bonds shall be payable in gold coin of the United States of the present standard of weight and fineness.

SECTION 4. The third proposition of incurring an indebtedness to be submitted at said election shall be as follows:

The objects and purposes for which said indebtedness is proposed to be incurred and bonds issued therefor are as follows: The acquisition of land and the improvement thereof including the construction thereon of suitable buildings and other structures, for public parks for the City of Glendale at following locations, to-wit: A public park in that part of the City of Glendale situated north of Broadway and west of Central Avenue, to cost \$22,000.00; A public park in that part of the City of Glendale situated south of Windsor Road and the prolongations thereof, to cost \$22,000.00; A public park in that part of the City of Glendale lying east of Glendale Avenue and the northerly prolongation thereof and north of Windsor Road and the easterly prolongation thereof, to cost \$22,000.00?

Shall the City of Glendale incur a bonded debt of \$66,000.00 for the purpose of acquiring land and constructing and completing thereon all necessary buildings and acquiring all necessary furniture and equipment for a public gymnasium for the City of Glendale?

That if the said third proposition for incurring indebtedness so submitted at said election receives the requisite number of votes, to-wit: two-thirds of the votes of the qualified voters voting at such election, bonds of said City in the amount of Sixty-six Thousand (\$66,000.00) Dollars shall be issued and sold for the purpose of acquiring, constructing and completing said municipal improvement; both principal and interest of said bonds shall be payable in gold coin of the United States of the present standard of weight and fineness.

SECTION 5. The fourth proposition of incurring an indebtedness to be submitted at said election shall be as follows:

The objects and purposes for which said indebtedness is proposed to be incurred and bonds issued therefor are as follows: The acquisition of land and the construction and completion thereon of municipal buildings for the purpose of storing materials, supplies, vehicles and equipment owned by the City of Glendale; and the estimated cost of said improvement is the sum of Twenty-six Thousand (\$26,000.00) Dollars. That the amount of the principal of said indebtedness to be incurred therefor is the sum of Twenty-six Thousand (\$26,000.00) Dollars, and that the maximum rate of interest to be paid on such indebtedness shall be six per centum per annum, payable semi-annually, which rate shall not be exceeded in the issuance of bonds for such indebtedness. Said fourth proposition of incurring indebtedness shall be designated on the ballots used at said election by the following question, to-wit:

"Shall the City of Glendale incur a bonded debt of \$26,000.00 for the purpose of acquiring land and constructing and completing thereon municipal buildings for the purpose of storing materials, supplies, vehicles and equipment owned by the City of Glendale?"

That if the said fourth proposition for incurring indebtedness so submitted at said election receives the requisite number of votes, to-wit: two-thirds of the votes of the qualified voters voting at such election, bonds of said City in the amount of Twenty-six Thousand (\$26,000.00) Dollars shall be issued and sold for the purpose of acquiring, constructing and completing said municipal improvement; both principal and interest of said bonds shall be payable in gold coin of the United States of the present standard of weight and fineness.

SECTION 6. That the election hereby called shall be and the same is hereby consolidated with the election to vote upon the question of adopting a proposed free-holders' charter for the City of Glendale, heretofore called and ordered by the Board of Trustees of the City of Glendale, to be held on the 29th day of March, 1921, by Ordinance No. 422 entitled "An ordinance calling an election and submitting to the qualified electors of the City of Glendale a proposed free-holder's charter for said City," passed February 3rd, 1921. That the election precincts and polling places heretofore established and designated by said Ordinance No. 422 and the officers of election heretofore appointed by said Ordinance No. 422 are hereby established, designated and appointed as the precincts, polling places and officers of election for the special election hereby ordered to be held for the purposes aforesaid, and shall be the same as those set forth in said Ordinance No. 422.

SECTION 7. The polls for said election shall be opened at six o'clock of the morning of the day of election, and shall be kept open until seven o'clock of the afternoon of the same day, when the polls shall be closed, except and provided, however, that if at the said hour for closing the polls there are any voters in the polling place, or in the line at the door thereof, who are qualified to vote and have not been able to do so since appearing, the polls shall be kept open a sufficient time to enable them to vote, but no one who shall arrive at the polling place after seven o'clock in the afternoon shall be entitled to vote, although the polls may be open when he arrives.

SECTION 8. That on the ballots to be used at said election to vote upon the question of adopting said proposed free-holders' charter in addition to the other matters required by law, there shall be printed the following:

Shall the City of Glendale incur a bonded debt of \$100,000.00 for the purpose of acquiring, constructing and completing pipes, pipe lines, transmission mains and suitable fittings and attachments therefor in connection with the development, extension and operation of the municipal water works and system?

Shall the City of Glendale incur a bonded debt of \$83,000.00 for the purpose of acquiring land and constructing and completing thereon all necessary buildings and acquiring all necessary furniture and equipment for a public gymnasium for the City of Glendale?

Shall the City of Glendale incur a bonded debt of \$66,000.00 for the purpose of acquiring land and improving the same, including the construction thereon of suitable buildings and other structures, for public parks for the City of Glendale at following locations, to-wit:

A public park in that part of the City of Glendale situated north of Broadway and west of Central Avenue, to cost \$22,000.00; A public park in that part of the City of Glendale situated south of Windsor Road and the prolongations thereof, to cost \$22,000.00; A public park in that part of the City of Glendale lying east of Glendale Avenue and the northerly prolongation thereof and north of Windsor Road and the easterly prolongation thereof, to cost \$22,000.00?

Shall the City of Glendale incur a bonded debt of \$26,000.00 for the purpose of acquiring land and constructing and completing thereon municipal buildings for the purpose of storing materials, supplies, vehicles and equipment owned by the City of Glendale?

SECTION 9. If an elector shall stamp a cross (X) in the voting square after the printed word "Yes," opposite any question or proposition his vote shall be counted in favor of the adoption of such question or proposition; if he shall stamp a cross (X) after the printed word "No," opposite any question or proposition his vote shall be counted against the adoption of the same.

SECTION 10. That in all particulars not recited in this ordinance, said election shall be held as provided by law for the holding of municipal elections in said city.

SECTION 11. The City Clerk shall certify to the passage and adoption of this ordinance by a vote of two-thirds of all the members of the Board of Trustees of said city, and its approval by the President of said Board, of said city, and shall cause the same to be published once a day for at least seven days in The Glendale Evening News, a daily newspaper printed, published and circulated in the city of Glendale, and no other notice of said election need be given. This ordinance shall take effect upon its passage.

Adopted and approved this 24th day of February, 1921.

DWIGHT W. STEPHENSON,
President of the Board of Trustees of the City of Glendale.

Attest: J. C. SHERER, City Clerk of the City of Glendale.

STATE OF CALIFORNIA, COUNTY OF LOS ANGELES, CITY OF GLENDALÉ—SS.
I, J. C. Sherer, city clerk of the City of Glendale, do hereby certify that the foregoing ordinance was adopted by the Board of Trustees of the City of Glendale, at a regular meeting thereof, held on the 24th day of February, 1921, and that the same was adopted by the following vote:

Ayes: Bartlett, Henry, Lapham, Robinson, Stephenson.
Noes: None.
Absent: None.

MEN OF BIG MINDS ARE CHRISTIANS, SAYS PASTOR

REV. W. E. EDMONDS, SPEAKING TO CONGREGATION, TELLS OF FAITH IN GOD

Following is a resume of the sermon delivered Sunday morning by Rev. W. E. Edmonds at the Presbyterian church:

"Ripe for exploits" is recognized as a quotation from Shakespeare. But 'exploits' is a biblical word found twice in the prophecy of Daniel,—a prophecy which should command our study and thought, and which reaches forward to this, our own day. In it the messenger of the Lord, revealing the future downfalls of world powers, tells Daniel 'But they that do know their God shall be strong, and do exploits.' (Dan. 11:32). You will notice that the key turns upon the word 'know.' All hinges upon knowing God. Much time might be spent in recounting the mighty deeds of the Old Testament heroes who knew their God. But even greater things may and do happen today. Men now know their God, are strong, and do exploits. 'I can do all things through Christ.' The final summing up means Divine Ownership: 'Ye are not your own,' 'Christ liveth in me.'

Along Intellectual Lines
"This present day is one when we are ripe for such exploits along intellectual lines. There is no true intellect that leaves God out of account. Gladstone, perhaps the greatest mind of the modern world, said he had known sixty great minds, all of whom but three were christians. Great jurists with few exceptions are christians, so of scientists. In the realm of commerce, the big business men of our country who do exploits are commonly christian men. In Chicago almost all the bank chiefs are such. Many of the most widely known and prominent manufacturers are men of God, men who give their time and their money to christian service all over the country and the world.

These men who know God have been strong in heroism. These are days of hero worship. Is a man a service man in the sight of God? In the realm of the heroic, the men who stood at the top were the christian men.

All Time Is God's
"The church never faced such mighty enterprises as now. We must recognize that if we are to do exploits, we have first to recognize that all our time belongs to God. God give us men to do exploits on Monday and Saturday and all days. And all real property belongs to God. He has never taken His ownership off a single foot of this earth. It is all right to say we own it, but it doesn't really belong to us any more than the sky does. God leases it to us, and let us use His land upon which to do exploits. And God owns the silver and gold. He allows men the privilege to get it out and use it. And so of the diamonds. We want to realize that we are children of the King, and that here is but an entry way to our future.

"The matter of stewardship touches our most priceless possessions,—our children. Here is the utmost and severest test that can be brought. A man will go a long way, and a woman will go farther, to save the children to themselves. Whose children are these? God says they are His; and hands off of God's property, only as God is allowed to have His way with them. Let Him use them, and they shall shine as stars in the firmament. 'I am asking you mothers, and fathers, and children, who is willing to consecrate all you have to God's service? Just where God wants you to be,—there let your light shine for Him.'

Finland is finding a profitable market in Europe for dairy machinery and is building up a heavy trade. The loss of the Russian and German markets was a severe blow but the Finnish business men have found a sale for their products in England, the Baltic provinces and South America.

The crops destroyed by small rodents and insects in America would feed the people of Belgium. The great natural enemies of these pests of the farmer, fruit grower and forester are the birds.

ELKS CHRISTEN NEW BALL PARK WITH EASY VICTORY

PEERLESS PITCHING OF BOLIN
PUZZLES AMERICAN LEGION
TEAM; SCORE 10-2

Sunday afternoon the Elks opened their new baseball park at Glendale and Cerritos avenues by defeating the local American Legion 10 to 2.

The peerless pitching of N. Bolin and Lehman Crandall so bewildered the doughboys that they found it very difficult to get acquainted with first base. When they did knock the ball as far as short, "Doc" McGillis propelled the ball so fast to "Big Boy" Peters on first, who has a habit of reaching anywhere within ten feet of him and inhaling the ball, that it certainly was discouraging to the Legion.

The Elks are planning to make considerable improvements at their park for the accommodation of the spectators.

Speedy Games Proposed

Manager Vincent Salmacia promises a fast game of baseball every Sunday in the future, the team being a member of the Managers' League, which is composed of fast semi-professional teams of Southern California.

A number of the members of the antlered herd believe that there is no necessity for having a backstop when George Hastings is catching, because it seems as though he has not learned how to miss the ball.

Rupert Malone in left field is showing such speed and alertness that they have named him "Deer" Malone.

MISS GLADYS DENSLOW GETS
GIFT OF FLOOR LAMP BY
EMPLOYEES OF BANK

The employees of the First National bank successfully planned a surprise party given Friday night at the home of the honoree, Miss Gladys Denslow, of 1016 North Central avenue, who is to be married in June to Mervyn Mills. They presented her with the gift of a floor lamp.

Those present were Mr. and Mrs. E. E. Osgood, Mr. and Mrs. L. D. Childers, Mr. and Mrs. W. E. Wiebe, Mr. and Mrs. E. L. Osborne, Jr., Mr. and Mrs. W. A. Goss, Mr. and Mrs. Dorsey Underwood, Mr. and Mrs. E. E. Denslow, Mrs. Grace Harrison, Mrs. Mabel Meibergen, Miss Mildred Johnson, Miss Susan Thomas, Miss Kathryn Weisling, Miss Winifred Traver, Miss Elsie Wilson, Miss Ethel Preston, J. J. Hunt, E. J. Morgan, Frank Teague, Mervyn Mills and the guest of honor, Miss Gladys Denslow.

The evening was spent in playing games. Refreshments of ice-cream and cake were served.

NEW BLOCKS BEING ERECTED TO CARE FOR BUSINESS

HOWARD WALKER, GLENDALE,
TO BEGIN CONSTRUCTION
ONE-STORY BUILDING

While Glendale goes ahead with an enviable construction program, Burbank, too, is coming right along with five new business blocks on San Fernando boulevard to be erected soon in addition to the Empire China factory and the United States Compression Inner Tube company plant under way.

W. S. Walker, who has associated with him in the enterprise Howard Walker of Glendale, will in a few days begin work on a one-story business block on the boulevard adjoining the Summers grocery in Burbank. The structure is to have a boulevard frontage of 78 feet and will be 70 feet in depth. There will be five attractive store rooms and the design shows a very attractive front. Within sixty days Mr. Walker expects to begin another building on the vacant property next to the Story hardware store.

Largest Garage Construction

A. S. Nickerson, in conjunction with F. A. Goodrich, has plans all made to begin at once an 80x120 garage at the corner of San Fernando Road and Magnolia avenue, in Burbank. The structure will be opposite the garage which is now occupied by Mr. Nickerson. All the latest features in garage construction have been embodied in the new building, which will be modeled after one of the finest garages in Hollywood. Messrs. Nickerson and Goodrich have an additional 50 feet of frontage on the boulevard which can be later used for expansion purposes.

W. H. Ramsey, who last week bought the C. F. Greenman property at the corner of San Fernando and Tujunga, with a frontage of 155 feet and a depth of 100 feet, is now working on plans for a business block. Mr. Ramsey's plans have not yet been perfected, but his intentions are to begin work within a very short time.

Mack B. Jones and J. H. Stalker who bought the corner of Verdugo and San Fernando, 150 feet frontage with a depth of 150 feet, are also making plans for a Burbank business block, expecting to begin construction soon.

JACK KNIFE MAN AT PALACE GRAND

FIRST NATIONAL ATTRACTION
FROM NOVEL BY ELLIS
PARKER PRESENTED

"The Jack-Knife Man," a First National attraction produced by King Vidor, is announced as the offering at the Palace Grand today.

"The Jack-Knife Man" is a picture-ization of the novel by Ellis Parker Butler who is favorably known to the majority of American readers through his delightfully humorous novelette, "Pigs Is Pigs." The picture deals with the affairs of a quaint colony in a little hamlet on the banks of the Mississippi river and life on a typical shanty-boat along its banks.

"Don't Blame the Stork" is a two-reel comedy which will add to the enjoyment of the young people, it being a special school program presented for today only.

Special orchestration for the feature is also promised by the Palace Grand's jazz musicians.

Ten years ago California raised no rice. Last year's crop amounted to 150,000 tons on soil formerly thought worthless.

It is reported that British oil interests, including the Royal Dutch syndicate, have received concessions in newly discovered oil fields in northern Greece.

Robinson's Men's Shop Is Popular

Robinson's Men's Shop at 116 South Brand boulevard is one of the newest business houses in Glendale, being less than a month old, but the proprietors, J. A. and Oscar Robinson, already feel that they were more than justified in their venture from the patronage they are receiving.

A factor that is greatly aiding the Robinson brothers in their business is their knowledge of the work, both having had years of experience in selling men's furnishings. They know "what is what" in men's wear. "We carry the well known brands in both the better class of merchandise as well as the popular priced goods, so men know exactly what they are getting," said J. A. Robinson.

These men think that Glendale's development the past few years is only a foretaste of what the future will bring forth.

WE WISH to congratulate the "Glendale Evening News" on its having reached the eighth year of its existence under the present ownership.

WE ARE now entering upon our 12th year as a Glendale institution, and have large visions of the Glendale of tomorrow.

WE ARE proud to have had the opportunity of assisting in the up-building of this wonderful little city.

OUR big construction organization is now complete in every detail and we shall specialize in the future on masonry construction of every character and also the larger types of frame construction, but will undertake no bungalow or small residence work.

Slays Man Because Engagement Broken

CHICAGO, March 1.—Mrs. Isabella G. Orthwein today shot and killed Herbert Zeigler, manager of the Goodyear Tire and Rubber company here, in her apartment of the fashionable Gold Coast residence district.

Zeigler leaves a wife and a 16-year-old daughter.

Mrs. Orthwein told police Zeigler had been keeping company with her since she divorced her husband, a wealthy resident of St. Louis, six months ago.

Her husband is a stockholder in the

St. Louis American league baseball club and an oil promoter.

Mrs. Orthwein said that the trouble started when Zeigler broke an engagement to take her to dinner last night.

"He told me there was a meeting of the stockholders of the Goodyear company last night and he couldn't take me to dinner," she said.

Charlie Chaplin Is Painfully Injured

LOS ANGELES, March 1.—One of Charlie Chaplin's funny feet is wrapped in bandages today. He was painfully injured late yesterday when he stepped on a large nail while walking about an indoor stage in his Hollywood motion picture plant. Unable to walk, he crawled to his dressing room a few hundred feet away and summoned Dr. Herman H. McLaughlin. The latter dressed the wound and declared every precaution would have to be observed to prevent an infection. Chaplin probably will be inactive for more than a week.

the future development of the state that the state should regulate it in such a way as to obtain through the various agencies that are seeking to develop this power the best results.

"Mr. Mason urged that the municipalities of southern California authorize delegates to a meeting that would perfect and later submit to such municipalities for their approval a plan of organization through which these municipalities could act together in securing preferences and priorities as provided for in the federal water power act. The hydro-electric power sites thus secured could be held for a period of three years by these municipalities pending the working out of some feasible and practical plan for their development. It was pointed out this would cost very little and would place the municipalities in position to protect their interests by this immediate action.

Favors Colorado River

"Burdett Moody, representing the public service commission of the city of Los Angeles, stated that the commission wanted the cities of southern California to know that they stood ready through the city of Los Angeles to co-operate in the matters suggested by Mr. Mason. Mr. Moody called particular attention to the possibilities of hydro-electric development on the Colorado river and stated that he regarded that as the best and most feasible source of supply for southern California and that there was danger of private companies gaining control of the most available power sites along the Colorado river and developing them in such a way as to render the development of the balance of the power from that source impracticable. He advised and urged immediate action on the part of the municipalities.

"Col. R. B. Marshall of the California state irrigation commission addressed the meeting in the afternoon explaining briefly the Marshall plan of water development for southern California which contemplates in fact a complete and systematic development of the water sources of California.

"Mr. Marshall stated that he had spent thirty years in the study of this subject and felt confident that the plan was both feasible and economically practicable. He stated that reservoir sites may be found in the mountains to store practically all of the run-off. He explained further that by extending canals that would follow the contours along the base of the hills encircling practically the entire Sacramento and San Joaquin valleys that the whole of these valleys could be brought under irrigation and that there was water enough if it were properly stored and conserved to permit of the diversion of the water of the Kern river to southern California.

Thirty Million Horsepower

"Mr. Marshall said that instead of there being nine million horsepower of electrical energy available in southern California that a complete development of its resources in this respect would afford possibly thirty million horsepower.

"Mr. Mason stated that efforts were being made to secure authorization by the state assembly for a thorough survey and investigation of the possibilities and practicability of the Marshall plan and urged that the meeting endorse such action. A motion was passed unanimously directing the chairman and secretary to draft a resolution endorsing the movement and to forward the same to the legislative body for consideration.

"After a general discussion of the matter of hydro-electric development as set forth by Mr. Mason and Mr. Moody a motion prevailed directing the chairman and secretary to prepare a resolution to be presented to the cities of southern California whereby such cities as may be agreeable could authorize the appointment of an advisory committee to propose an agreement to be entered into by the municipalities as suggested by Mr. Mason."

DINNERS IN HONOR OF NEW OFFICIAL

WALTER LINEBERGER, NEWLY CHOSEN AS CONGRESSMAN, WILL BE GREETED

Several farewell functions are being planned in honor of Walter Lineberger, congressman-elect, who is to leave about March 10 for Washington. A dinner will be given at the Virginia hotel, Long Beach, the night of March 7 by the Republican committee of the ninth congressional district. On the night of March 9 a reception will be held at the Union League club, Los Angeles, at which time Judge Weller will preside and former Governor Lowden of Illinois will also be present.

Dr. Yen Te-Ching, managing director of the Canton-Hankow railway, is visiting the United States for the purpose of inspecting railroad facilities and lake transportation of freight.

ERVIN VAN OSDOLL JOINS SALT LAKE

GLENDALE BALL PLAYER TO
ENTER COAST LEAGUE;
PLAYS IN GARDEN

Ervin Van Osdoll, son of Mr. and Mrs. W. M. Van Osdoll, 341 West Elk avenue, left this morning for Boreas Springs training camp near San Francisco to join the Salt Lake club in the Pacific Coast Baseball league. Van Osdoll, who has been playing with the Elks, Pasadena and other semi-pro teams in southern California, will be a gardener for the Mormon mine, being a clever outfielder and hard hitter in the games played here.

FRANK MARSH IS HIT BY MACHINE

LEG IS BROKEN AND MOTOR
BIKE SMASHED AS RESULT
OF ACCIDENT MONDAY

While riding down San Fernando Road yesterday afternoon about 1 o'clock Frank Marsh, youngest son of Mr. and Mrs. G. H. Marsh of 1249 South Central avenue, was run down by a machine belonging to Grandma's Baking company of Los Angeles, breaking his leg and smashing his motorcycle.

Three X-rays were taken of the break, after which the young man was taken to his home. Dr. R. E. Eckles is in attendance.

Mrs. Mary Emerson, Aged 83, Summoned

Mrs. Mary Emerson, 83 years of age, mother of Charles Emerson, agent for the Salt Lake Route at Pasadena, passed away at the home of friends here Sunday after a long illness. Mrs. Emerson was a native of Ohio and her body will be shipped to Bethesda, Ohio, for interment, by L. G. Scovern Co., morticians.

MRS. VICTORINE PFAFF IS DEAD

Mrs. Victorine Pfaff, aged 65, died at the family home, 1517 Rock Glen avenue, Glendale, just as the sunset shadows were passing over the horizon. Her husband, William H. Pfaff, and several children survive her, including Harry Girard, widely known vaudeville star and film actor.

Funeral services will be held Thursday morning at 11 o'clock from the Little Church of the Flowers, Forest Lawn, and interment will be in the Masonic burying grounds of that cemetery. Pulliam & Kiefer have charge of the arrangements.

Sleeping Sickness Results in Death

Burial services are being held this afternoon from L. G. Scovern company chapel here for Miss Blanche Moore, aged 17, daughter of Mr. and Mrs. W. H. Moore of Burbank, who was a victim of sleeping sickness which culminated in her death Sunday.

Miss Moore became unconscious about a week ago, according to reports following a period of languor. She is survived by her parents and a sister, Miss Grace Moore. The family has resided in Burbank for the last seven years and in California for 15 years.

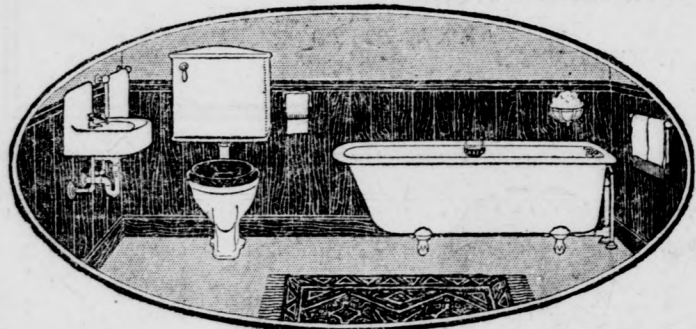

Interment is in Forest Lawn cemetery.

PLAN BIG AUDITORIUM

Contracts have been let by Santa Monica for the construction of a \$350,000 auditorium. It will be used as an attraction for conventions and other gatherings where a great seating capacity is to be desired.
